EDUCATION

December 2025

Master of Engineering, Electrical Engineering
Stevens Institute of Technology, Hoboken, NJ
Concentration in Robotics and Autonomous Systems Engineering; Certificate in Power Systems Engineering
GPA: 3.93

May 2024

Bachelor of Science, Physics
Seton Hall University, South Orange, NJ
Minor in Applied Scientific Mathematics
GPA: 3.66 | Magna cum laude

PROFESSIONAL SUMMARY

Offering background in analytical thinking and teamwork, with strong desire to develop in a professional setting. Brings ability to quickly grasp new concepts and adapt to dynamic environments, paired with foundational skills in research and report writing. Ready to use and develop problem-solving and communication skills in an engineering role. Seeking engineering or research roles in nuclear energy, reactor systems, aerospace, or advanced power and controls environments.

EXPERIENCE

Fall 2026 - Present

Full-Time Substitute Teacher | **Immaculata High School**, Somerville, NJ
Teach AP Chemistry, Honors Chemistry, and Food Science, providing classroom instruction and supporting student learning across all three courses.

June 2025 - August 2025

Chemical Engineering Summer Intern | **DSM-Firmenich**, Newark, NJ
Analyzed reactor and batch process data using Seeq and PI DataLink, identifying performance trends and supporting process optimization initiatives. Collaborated with cross-functional engineering teams to troubleshoot production inefficiencies and improve batch reliability.

September 2023 - May 2024

Teaching Assistant | **Seton Hall University**, South Orange, NJ
Conducted labs for Introductory Physics II, Electronics, and Advanced Laboratories. Created and guided lab experiments, including circuit analysis and radiation safety.

HOBBIES & INTERESTS

ROBOTICS	**High School Robotics Mentor** Recently began mentoring Immaculata High School's robotics team, Cold Fusion 1279.
ROCKETRY	**Hobby Rocketry** Interested in hobby rocketry and planning to pursue Level 1, Level 2, and Level 3 high-power rocketry certifications.
COMPUTERS	**Computer Tinkering** Enjoy tinkering with computers and exploring hardware and software in my free time.

AWARDS & DISTINCTIONS

Eagle Scout | Troop 84

Sigma Pi Sigma | Physics and Astronomy Honor Society

NASA New Jersey Space Grant Consortium | Academic Fellowship - Fall 2023
